INDUSTRIAL PARKS of the Penza region

The Law of the Penza region dated 18.10.2013 № 2462 «About Industrial Parks of the Penza region»

Park «OTVEL»
Land plot area 137 ha

Park «INDUSTRIAL UNION»
Land plot area - 12 ha, Area of production premises – 63 thousand sq.m.

Agro-industrial Park «SERDOBSKY»
Land plot area - 400 ha, Production and processing of agricultural products
Industrial Park «OTVEL»
Greenfield

v. Kizhevatovo of the Penza region

Modern high-tech industrial complex
Area - 137 ha

Basic advantages:

- The Industrial Park is located at the junction of rail and motor roads connecting Western and Eastern regions of Russia;
- The proximity of sale markets;
- More than 1/3 of Russia's population live within the radius of 625 km from Penza. In this zone are located 16 regional centers, 6 of which number more than 1 million people.
INFRASTRUCTURE:

- Land plot area – **12 ha.**
- Area – **63 thousand m²**
- Electricity generating equipment up to **8 MW**
- The availability of supply lines
  - heating supply
  - water supply
  - sewerage system
  - gas supply
  - telephony, Internet access
- The opportunity of accommodation of processing industries, including small and medium business
CLUSTER OF HIGH TECHNOLOGIES

- Industrial park
- Technopark «RAMEEV»
- Research and development center
- CJSC RPE «MedInzh»
- LLC RPE «GeoTek»
Investors support of the Penza region

1. TAX BENEFITS
   - Profit tax reduction from 20% to 15.5%
   - Property tax – 0%
   - Transport tax – 0%

2. PREFERENCES
   - partial compensation of interest rate on credits;
   - co-financing of object infrastructure development
   - work with investors in the mode of «one stop shop»
   - provision of micro-loans and guarantees to banks
Personnel support

Complex program on the involvement of children and youth in innovative activity
Summer school “TeenGrad”
Winter school “DomInno”
Ideas auction "InnoTeens”
Youth festival of popular science film
Youth Innovation Creativity Centers

1. NanoElectroLab
   Specialization - radio-micro-electronics, robotics

2. ШАР в будущее
   Specialization - technical modeling, design

3. TechnoArt
   Specialization - design, engineering, design

4. From Idea to Model
   Specialization - technical model types of art and sport

5. Deistvui
   Specialization - model car construction, robotics, radio electronics

6. INVIS
   Specialization - Art innovations

6 Youth Innovation Creativity Centers have been created in Penza
